

# Trimble Equipment Service Review

*"Protect Your Investment"*

**We are proud to announce the 2011-2012 Trimble Service Review program.**  
Available November 1, 2011 through February 29, 2012

For a minimal cost, you can ensure that your Trimble Mapping system is 100% up-to-date and ready to go for another field season.

**Eligible Equipment:**  
**Pro XT/XH, GeoXM/XT/XH (6000, 3000, 2008, 2005 Series),**  
**MGIS Nomad, JunoSB/SC/SD**

**Cost: \$125, Free if under warranty**

We will update the OS and GPS firmware to the latest available for your equipment to apply fixes and enhancements. We will also check GPS performance to make sure it is up to Trimble standards. If your eligible equipment is under 2 years old and is currently under warranty, you can extend the warranty at a discounted price. A new high quality screen protector is included.

**Optional items:**

Extended warranty if equipment qualifies:

Juno . . . . .	<b>\$130</b>
All other eligible equipment . . . . .	<b>\$275</b>
2005 Series screen replacement . . . . .	<b>\$181</b>
2008 Series screen replacement . . . . .	<b>\$180</b>
2005/2008 Series battery replacement . . . . .	<b>\$120</b>
6000 Series extra battery purchase . . . . .	<b>\$176</b>
All non-warranty repairs . . . . .	<b>Free labor, 10% off parts</b>

To arrange for your system to be sent in for the Service Review, please fill out the online form at: [http://www.geoposition.com/trimble\\_service\\_review.aspx](http://www.geoposition.com/trimble_service_review.aspx)
